PROFESSIONAL EXPERIENCE

Senior Sales
Aug 2026 – Present

Tatouche *Beirut, Lebanon*

- Improved sales conversion by 15–20% through consultative selling, needs-based product recommendations, and effective objection handling.
- Increased average sales value by 10–15% through strategic upselling and cross-selling of complementary beauty products and devices.
- Managed 50+ inbound and outbound customer calls daily across GCC markets, identifying customer needs and converting qualified prospects into sales opportunities.
- Generated and followed up on 100+ qualified leads monthly, maintaining consistent sales pipeline activity and customer engagement.
- Maintained 90%+ follow-up completion and 95%+ CRM data accuracy across customer interactions, opportunities, and outcomes.
- Achieved 95%+ adherence to call-center quality and performance standards, balancing sales targets, customer experience, and service quality.
- Handled customer objections related to pricing, product suitability, product features, and purchasing decisions to support sales conversion and customer retention.
- Analyzed recurring customer needs and feedback, communicating insights to sales and operations teams to improve sales messaging and customer engagement.

Quality Control
Jun 2026 – Aug 2026

The Lebanese Beirut Airport Catering Company SAL (LBACC) *Beirut, Lebanon*

- Monitored food preparation, handling, hygiene, storage, and production activities to support compliance with established food safety, quality, and operational requirements.
- Conducted routine quality inspections across multiple production stages, identifying deviations and supporting timely corrective actions.
- Performed systematic checks of food quality, sanitation, storage conditions, and operating procedures, contributing to 95%+ compliance with internal quality requirements.
- Reviewed and maintained quality-control records, inspection reports, and traceability documentation, supporting accurate monitoring and timely resolution of deviations.
- Supported quality assurance activities for high-volume airline catering operations, including MEA requirements, ensuring products met specifications before dispatch.
- Identified, documented, and escalated non-conformities, supporting corrective-action implementation and minimizing quality-related operational risks.
- Collaborated with kitchen and operations teams to strengthen food hygiene, quality procedures, process compliance, and standardized operating practices.

Outbound Agent
Jul 2023 – Sep 2025

Citrus TV *Beirut, Lebanon*

- Managed 80+ outbound sales and customer calls daily across assigned campaigns, maintaining high activity levels and consistent customer engagement.

- Generated and qualified 100+ leads monthly, identifying prospects, assessing customer needs, and supporting sales pipeline development.
- Improved lead-to-conversion performance by 20%+ through effective questioning, objection handling, and persuasive communication.
- Maintained 95%+ follow-up completion, ensuring timely engagement with prospects and reducing missed sales opportunities.
- Achieved 105%+ of monthly activity targets on a consistent basis.
- Maintained 95%+ call-quality compliance while delivering professional, customer-focused interactions.

Quality Control Analyst & Inspector **Sep 2022 – May 2023**
Levant Beverage & Dairy Industries (LBDI – Dairy Day) *Beirut, Lebanon*

- Conducted quality inspections across 30+ production batches monthly, verifying compliance with established quality requirements.
- Performed 100+ physico-chemical tests monthly on raw materials and finished products to support product quality and consistency.
- Assessed raw material and finished-product quality, identifying deviations and escalating non-conformities for corrective-action support.
- Maintained 98%+ accuracy across QC records, laboratory results, testing documentation, and production-quality reports.
- Oversaw manufacturing and production processes, supporting 95%+ adherence to established quality and operating procedures.
- Identified recurring production deviations and supported corrective actions, contributing to a 15% reduction in recurring quality issues.
- Trained 10+ employees on quality procedures, hygiene requirements, and production-control practices, improving process consistency.

Medical Laboratory Trainee **Sep 2019 – Oct 2019**
Al-Sahel Hospital *Beirut, Lebanon*

- Supported laboratory sample preparation, documentation, and testing workflows while adhering to laboratory safety, hygiene, and quality-control procedures.
- Maintained 98%+ accuracy in sample handling and documentation while assisting with testing procedures.
- Followed laboratory safety, hygiene, and quality-control protocols with 100% adherence to assigned procedures.
- Supported laboratory testing workflows across all five departments while maintaining accurate sample documentation and adherence to laboratory safety procedures.

Private Tutor | Science Subjects
Sep 2019 – 2025
Beirut, Kaem, Lebanon

- Provided private lessons to EB7–EB12 students in Biology, Chemistry, Physics, and Mathematics in both English and French.
- Prepared students for official examinations and delivered structured revision of Brevet and Baccalaureate curricula.
- Adapted explanations and practice exercises to students' learning needs, helping reinforce subject understanding and exam readiness.
